

Glenmar Cruisers

Our Cruising fleet plans their voyages and activities to keep everyone happy, and their happy hours are legendary. By being a member of Glenmar, you will be included with over 100 families, in the most active group dedicated to sailing in the area. Membership provides great motivation to using your boat more than ever, visiting new places, leading an active and adventurous lifestyle, enjoying quality family time on the water, and meeting many like-minded folks just like you.

Our cruises focus on getting you out on the water, sailing to both new and familiar places, and enjoying time together in a family friendly environment. Sailing with a group of like-minded couples and families can lead to increased friendships both on and off the water! If you experience a technical issue, there are years of experiences along with you on the cruise to help solve the issue. There are also years of experience to help you get the most out of your boat.

Here is our schedule for the season, all subject to change:

Cruise	Date	Cruise Captain	Details
Safety Cruise	5/20 – 5/21/17	Ken Mercer, Universe Kenmercerc109@msn.com	Practice and review crew retrieval procedures.
