FOREWORD

In past years we have asked each Glenmar Sailing Association (GSA) skipper to support the sportsmanship pledge printed below. As part of Glenmar’s continuing support of the United States Sailing Association (USSA), the GSA Race Policy Committee has elected to publish it again this year. It is hoped that every GSA skipper will continue to support this ideal and will inform their crew that they also are expected to support this pledge.

SPORTSMANSHIP PLEDGE

I AGREE THAT SAILBOAT RACING IS THE MOST FUN AND CHALLENGING WHEN EVERYONE SAILS BY THE RULES, DOESN’T CHEAT FELLOW COMPETITORS WITH UNFAIR ACTIONS, AND WORKS TO MAKE RACING AS FAIR AS POSSIBLE. I AM AWARE THAT ILLEGAL AND UNFAIR PRACTICES INCLUDE:

NON-COMPLIANCE WITH PHRF CLASS RULES AND REQUIREMENTS

(From the ISAF - THE RACING RULES OF SAILING 2021-2024):

RULES 10 thru 13 - BASIC RIGHT-OF-WAY RULES

RULE 17 - LIMITATIONS ON ALTERING COURSE – BOATS NOT HOLDING THEIR PROPER COURSE WHILE WITHIN TWO BOAT LENGTHS OF ANOTHER BOAT

RULE 18 - CLAIMING ROOM WHEN NOT ENTITLED OR NOT KEEPING CLEAR WHEN REQUIRED.

RULE 31 - HITTING A MARK AND NOT EXONERATING YOURSELF BY TAKING THE 360 DEGREE PENALTY BECAUSE NO ONE SAW IT HAPPEN

RULE 69 - GROSS BREACH OF A RULE, GOOD MANNERS OR SPORTSMANSHIP.

I AGREE THAT I WILL SAIL BY THE RULES AND NOT BE INVOLVED WITH ANY UNFAIR ACTIONS SUCH AS THOSE LISTED ABOVE. IF I MAKE A MISTAKE, I WILL IMMEDIATELY ADMIT MY MISTAKE AND TAKE MY PENALTY.

6. Sign up for Race Committee duty for a minimum of one race.

7. Non-GSA members that have a 2022 PHRF Valid Racing Certificate and proof of adequate insurance may pay $75.00 to race in one series only, in lieu of paying the GSA membership dues.

• Racing fees and PHRF certificate are waived for first year first time racers with GSA.
CBYRA Region 1 Races

GSA will sponsor two (2) CBYRA sanctioned race days serving as the host club for the North of the Bridge PHRF Championship Regatta. Complete details are contained in the CBYRA GREENBOOK.

Northern Bay Regatta: June 11 and June 12 (5 races)

CBYRA Entry Requirements

All GSA members are qualified to compete in GSA sponsored CBYRA races. You do not have to be a member of CBYRA to race in a sanctioned race. However, you must be a member of CBYRA to qualify for high-point scoring in your Region of the bay. Membership is recommended to support this worthwhile organization, as in supporting your sport. The membership application is online at www.cbyra.org. The CBYRA GREENBOOK is available on-line. The following requirements must be met:

1. Have a valid PHRF Rating Certificate for the class in which you are competing.

2. Submit a CBYRA Standard Entry Form as specified in Special Racing Instructions and the Notice of Race/GSI Amendments. See Appendix C.

3. USSA Sail Numbers (or one design hull number) are required if you wish to be scored for CBYRA High Point.

You are encouraged to promote and support the sport of sailboat racing by joining US Sailing, CBYRA and PHRF. http://www.cbyra.org/ http://www.phrfchesbay.org/bin/main.php

I. **NOTICE:** Each boat owner will have the sole responsibility to decide whether to start or to continue an event. A club inspection of any boat will not reduce or affect the boat owner’s responsibilities, warranties, and representations as described herein or in an application to participate in an event. It is the responsibility of the boat’s skipper and crew to decide when the use of life jackets (PFD’s) is appropriate, except that PFD’s are mandatory when the Y (Yankee) flag is flown by the RC boat.

II. **RACING RULES:** World Sailing’s *THE RACING RULES OF SAILING 2021-2024* (RRS/US) as adopted by the United States Sailing Association (USSA) will govern, except as modified by GSA below, or in the Special Sailing Instructions for a particular event.

III. **PHRF FLEET RULES:** The rules adopted by PHRF in the Fleet Policies will apply, except where modified or superseded below by GSA. (http://www.phrfchesbay.org/docs/FleetPolicies.pdf)

IV. GSA MODIFICATIONS TO RACING RULES:

1. **Sail Numbers:** Any boat without readable numbers (see RRS/US 77) on mainsails, spinnakers, and overlapping headsails will be disqualified, unless special approval is secured from the Race Committee prior to racing. Approval is valid for one (1) race only unless approved by the Fleet Captain.

2. **Starting Area:** All boats will keep clear of the starting area and the first leg of the course at all times after the first warning signal. Boats can return to the starting area after their division’s warning signal. The starting area is defined as extending 150 feet beyond each end of the starting line and 300 feet behind and 150 feet in front of the starting line. Failure to comply may result in a boat receiving DSQ depending on the severity of the infraction. Boats sailing through the starting line when prohibited may be scored DNS. All boats will keep clear by at least 150 feet of the support vessel(s) performing its duties (setting starting line and placing marks).

3. **Chase Boat:** The chase boat skipper will be an official member of the Race Committee. As such, he will be at all times sighting the starting line and calling boats over early, along with the committee boat. The chase boat may also be strategically placed near rounding marks and call foul on any boat(s) hitting the mark and not taking the 360 penalty. If you do not exonerate yourself upon the chase boats notification, you will be protested.
4. **Non-Finishers:** Any boat abandoning a race must notify the Race Committee upon retiring from the race course. Failure to notify the Committee may result in disqualification for the race, series or season. **Race Committee will monitor channel 72.**

5. **Lights:** Boats racing “after sunset” will display U.S. Coast Guard approved navigation lights. Official source for sunset is dateandtime.com. Boats not meeting this requirement will be disqualified (see page 14 for times for Nighthawk races.)

When racing at night in the vicinity of vessels with which they might collide, boats will illuminate their sails by all available means, to ensure that they are clearly seen by the other vessel(s). This requirement is not in lieu of the display of required lights under the Unified Rule, but in addition to it. This does not affect the Right-of-Way Rules.

6. **Divisions:** Boats will race in one (1) non-spinnaker, (1) Cruising class, and three (3) spinnaker classes according to PHRF ratings as follows:

<table>
<thead>
<tr>
<th>Division</th>
<th>Rating Range</th>
<th>Class Flag</th>
</tr>
</thead>
<tbody>
<tr>
<td>N (IV)</td>
<td>all</td>
<td>Signal Flag #5</td>
</tr>
<tr>
<td>CC (V)</td>
<td>all</td>
<td>Signal Flag White</td>
</tr>
<tr>
<td>C (III)</td>
<td>148 and up</td>
<td>Signal Flags #7</td>
</tr>
<tr>
<td>B (II)</td>
<td>115 to 147</td>
<td>Signal Flag #6</td>
</tr>
<tr>
<td>A (I)</td>
<td>up to 114</td>
<td>Signal Flag #9</td>
</tr>
</tbody>
</table>

Note: These splits only apply to GSA races. Splits for CBYRA races are determined by PHRF.

To aid identification of contestants by the Race Committee and other boats, boats will fly their class flag from their backstay, approximately 6 feet above the deck, before and while racing. Failure to do so is not subject to protest, but may result in not being scored. Class flags will be INTERNATIONAL CODE FLAGS.

When finishing with other boats in close quarters, write down who was in front and back of you and those on your port and starboard sides; this will facilitate accurate scoring.

7. **Shortened Courses:** Be aware that any course may be shortened for any or all divisions. The chase boat or the committee boat may be positioned at any mark on the course. They will sound the appropriate signal, display a “shortened course” flag, and record your finish time. All divisions might not finish at the same mark.
8. **Postponement:** Answering Pennant (AP) (red and white vertical strips) denotes the start is postponed for an indefinite time. Warning Signal (class flag) flown one (1) minute after AP is lowered indicates the beginning of starting sequence.

9. **Individual Recall:** As per RRS/US Rules 29.1 and 30. It is the responsibility of each skipper to determine whether he started correctly. The RC boat will attempt to announce the sail number of OCS boat(s) on channel 72, but is not required to do so.

10. **General Recall:** As per RRS/US Rule 29.2. BE ALERT FOR YOUR WARNING SIGNAL. The RC boat will attempt to announce the general recall on channel 72, but is not required to do so.

11. **Penalties:** The procedure and penalty for infringing a rule of Part 2 of the RRS/US will be as provided in Part 4, Rule 44.1 and 44.2. A boat that may have broken a rule of Part 2 while racing may take a penalty at the time of the incident. A boat takes a penalty by promptly taking one complete turn in the same direction including one tack and one gybe. **However, if she caused serious damage or gained a significant advantage in the race or series by her breach, she shall retire.**

12. **Protests:** Verbally notify the RC boat of protest prior to leaving finish area. Protests must be made in writing on a CBYRA Standard Protest Form (see Appendix A). The protesting skipper must send copies to:

   a. The owner of the protested boat.

   b. Fleet Captain
      Michael Johns
      207 Saint Marys Road
      Essex, MD 21221

   c. Protest Committee Chairman
      David Kozera
      1408 Bare Hills Road
      Baltimore, MD 21209

   SEE “APPENDIX A” FOR ADDITIONAL PROTEST INFORMATION.

13. **Required Equipment:** Boats will carry equipment as required by the U.S. Coast Guard and US Sailing “Nearshore Category”. The Fleet Captain, Race Committee, or designee will have the right to inspect any boat for the required equipment without prior notice. Any violation of said rule is grounds for disqualification.

14. **Right-of-Way:** In accordance with the current Unified Rules of the Road, a boat racing must keep clear of vessels fishing, moored vessels, vessels unable to respond readily (such as tugs with tows, hydrographic survey or buoy tending vessels in service, or dredges underway), and vessels whose size requires that they remain within a channel for their safe navigation. Evasive action on the part of the boat racing must be taken in a
timely manner. The Right-of-Way vessels described above will be considered obstructions, therefore RRS/US Rules 19 & 20 apply. Violation of these rules will be the basis for disqualification.

15. **Luffing after Sunset:** Between sunset and sunrise the following shall apply: When one of two boats is passing the other boat to windward, on the same tack and an overlap has developed, the boat which has been overtaken shall sail her proper course. The boat passing to windward must do so at least two of her overall lengths from the leeward boat for this rule to apply.

16. **Marks:** Marks must be left on the proper side (not necessarily rounded) to conform to the string test (see RRS/US Rule 28.2).

17. **Scoring:** See APPENDIX B for details. A yacht that is entered for a series (example - the Wednesday Nighthawk series) that does not come to the starting area at the date and time of any race of the series, shall be scored as DNC, unless her owner is serving as Race Committee for that race (see paragraph IV. 18.).

An owner may accumulate points for only one yacht and only the points in one division. A boat may change from spinnaker division to the non-spinnaker division or vice versa. All changes must be made between series with at least 10 days advance notice to the Fleet Captain. All appropriate fees must be paid before the change will be made.

The points from the first boat entered in the season will be used unless the owner notifies the Fleet Captain, in writing, that he wishes to have another boat he owns scored. Points for the new entry will be calculated only for races sailed after written notification is received. This procedure applies to all changes, even if the new boat is the same design and rating as the previous entry and may have the same sail number.

18. **Credit for serving as Race Officer:** A boat not racing because the representative is serving as Race Officer will be given credit for racing but that race will be excluded for series and high point calculations. A boat may only serve as Race Committee once per series, except in special situations with prior permission of the Race Committee Chair. If a Race Officer’s boat participates in a race, her score will be based on her actual finish. Only boats actually racing will count as starters for a race.

19. **Prizes:** Prizes will be awarded for placement in each series, the Black Cat Race, North of the Bridge PHRF Championship & Regatta, AARP Series, and Club High Point by Division, in accordance with the number of qualifiers.

Three Qualifiers............. One award
Five Qualifiers.............. Two awards
Seven Qualifiers............ Three awards
20. **Skipper:** The registered skipper/owner on a boat racing shall be a member of Glenmar Sailing Association. In the absence of the registered skipper/owner, it is recommended that the substitute skipper or responsible person also be a member of Glenmar Sailing Association. The registered skipper/owner shall be responsible for the actions of the boat and/or crew in his absence.

21. **Modifications:** Any modifications or amendments to these instructions will be printed in the Course Board, if possible, or noted on a printed or emailed “Notice to Racers” or an individual race circular provided by the Race Committee prior to the start.

V. **RULES DESERVING SPECIAL ATTENTION**

2. Failure to give way to “right-of-way” boat. In many cases this was due to not keeping a proper watch – RRS/US – Part 2, Sections A, B and C.

6. Sailing Instr. IV.12 - Protests: "SPECIAL ATTENTION IS DRAWN TO RULE 61.1(a) - INFORMING THE PROTESTEE"

A. **Scoring for Individual Races and Series**

A High Point Scoring System will be used for the series scoring. The score for an individual race will be based upon the number of boats beaten in that particular race instead of the boat’s finishing position. This is to provide more value to a boat that finishes first in a race with six competitors vs. a boat that finishes first with only 3 competitors. Seven races are scheduled for each series. Three races must be completed to qualify for a series.

A boat will be awarded points as follows:

One point for being ranked as a starter, one point for finishing without disqualification or retiring, and one point for each boat beaten.

A boat’s score for an individual race shall be the total points awarded divided by the maximum total points possible (points available for the first-place boat).

The boats series final score will be the total of points earned in the series divided by the total possible points available had the boat finished first in each race of the series. One throw-out will be allowed for each series, provided the boat has the minimum number of races to qualify after the throw-out.

A boat that did not start or did not come to the starting area, shall be scored zero points. Any boat(s) scored as DNC is not a “beaten boat”.

A boat that was scored DNF shall be awarded 1 point (for starting), and is a “beaten boat” by all boats that finish without disqualification or retiring after finishing.

A boat scored as DSQ or RAF (Retired After Finishing) shall be scored zero points and is a “beaten boat” by all boats that finish without disqualification or retiring after finishing.
**Example:** (Using a 5-race series)

**NOTES:**
A. All boats raced.
B. Curly did not race. His score is 0/6.
C. Only 3 boats raced. Score for Larry, Curly and Moe is 0/4.
D. 5 boats raced; Larry served as Race Committee. See Race Committee Credit below.
E. Heavy Weather, only Larry and Curly raced. Score for all other boats is 0/3.
F. Each boat’s worst score. (Also, noted with brackets.)
G. Tie Breakers resolved by RRS Appendix A8.
B. **Race Committee Credit:**

When a boat is not racing because the representative is serving as Race Officer that boat will be given credit for a qualifying race, but that race will be excluded from series and high point calculations.

Only one Race Committee score will be allowed per series, except in special situations with prior approval of the Race Committee Chair.

If the Race Officer’s boat participates in the same race, the boat’s score will be based on her actual finish position.

C. **High Point Scoring:**

The GSA High Point awards are intended to recognize boats that consistently perform well against their Club competition. In addition, the High Point awards are structured to encourage consistent participation in GSA events in order to be eligible for the awards.

Points toward the High Point awards are accumulated during the entire GSA racing season for all GSA racing events, including GSA sponsored CBYRA sanctioned races, according to the formula given below. To be eligible for a Club High Point award, the boat must compete in 50% of the Club races held during the year.

The method of Club High Point calculation is based upon the CBYRA High Point scoring method with the exception that the minimum speed and distance requirements will not apply and as follows:

**Owner/Skipper:** Club High Point awards are made to the Owner/Skipper and his/her boat when considered as a single entity. The entity is scored as the competitor and each boat entered into a GSA racing event must be entered in the name of the Owner/Skipper in order to be recorded for the GSA High Point award for the year. The Owner/Skipper must be a GSA member in good standing to be eligible for High Point.

**Boat:** The boat must meet all qualifications, for each entered event, as normally required for GSA or CBYRA racing participation.

**Division Changes:** Boats changing Divisions during the year through administrative action of the Race Committee will be scored in the Division in which they ended the year. Points earned prior to a change will be credited towards the boat’s final Club High Point award. Points for boats changing Divisions, by an action of the Owner, will be for each Division in which they raced. Points earned in CBYRA sanctioned races are credited toward the Club High Point score for the Division in which the boat normally races with in GSA.
APPENDIX B

Points: Points earned are calculated for each individual GSA race, including the individual GSA sponsored CBYRA races. To encourage participation, boats will be scored for every race including races they were scored as DNC. Series results are not counted towards Club High Point. The method of awarding points and calculating Club High Point score is as follows:

1. One point for being ranked as a starter, plus
2. One point for finishing without disqualification, plus
3. One point for each boat beaten, plus
4. Bonus points for the course distance provided the boat finishes without disqualification. 5 bonus points are awarded for courses equal to or greater than 10 nm.
5. Any boat scored as DNF by the Race Committee shall be recorded with one point, for starting the race, and is a ‘beaten boat’ by all boats that finish without disqualification. Any boat scored as DNC is not a ‘beaten boat’.
6. Any boat scored as DSQ or RAF by the Race or Protest Committees shall be recorded with zero points for the race and is a ‘beaten boat’ by all boats that finish without disqualification.
7. The maximum points possible in any race shall be the points available to the boat achieving first place in that race.
8. One throw-out will be allowed for every 6 races, with a maximum of 4 throw-outs.
9. The boat’s Club High Point score will be computed by a formula that divides the total points earned for the year by the total of maximum points possible had the boat won every event for the year.
